WISTAR'S BALSAM OF WILD CHERRY - The great relungs, and other affections of the pulmonary organs. Read the following Testimonials!

In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected, and as it is not our wish to triffe with the lives or health of those afflicted, we sincerely pledge ourselves to make no assertions of "false statements" of its efficacy; nor will we hold any hope to suffering humanity which facts will not warrant. The proofs are here given-and we solicit an inquiry from the public into every case we publish, and lect assured they will find it a medicine well deserving their patronage and confidence. REMARKABLE CURES: Of all the cures that have been recorded, there are certainly none

Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of hundreds that we have received from the South and West of like character. Oswego, Mich., Oct 22, 1847. Dr. Townsesp: Dear Sir :- I purchased for my wife two bottles of Sarsaparilla of your Agent, Mr. McNair, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle, it appeared to warm the blood, and every other day, when the Chills and Fever appeared, they were less violers, and before she had finished the bottle she was entirely relieved, and she was much better than she had been before she took the Ague. A lady that had been very sick with the Chills and Fever, but had broke them with Quinine. and was left in a very weak and distressing state, and troubled exceedingly with the Ague Cake, seeing the effect that it had on my wife, she sent and procured a few bottles, and it restored her in a few weeks to complete health. No female who has reason to suppose si is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching wemanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural ener-
